

Roof

Windtight and rainproof on the outside

Bonding woodfibre boards

Requirements for secure bonding:

- The substrate must be sustainable, swept clean and free of ice. It must not be adhesive-repellent

To create extreme adhesion:

- Shake high-performance primer Dockskin 100
- Apply a covering coat (a)
- Depending on the temperature and substrate wait until Dockskin 100 is **transparent** and **sticky** (b)

Joint, valley, roof ridge

- Prime with Dockskin 100
- Apply Wigluv in the middle, align

How it should look:

- Valley, ridge and joint are sealed windtightly with Dockskin 100 and Wigluv 100 or 150

Windtight and rainproof on the outside

Covering membrane

- 1
- Prime woodfibre board with Docks skin 100
- Apply Wigluv in the middle, align
- Remove both backing strips simultaneously, press on

How it should look:

- The transfer area between the covering membrane and the woodfibre board is sealed windtightly with Docks skin 100 and Wigluv 100

Docks skin® 100

P. 127

Wigluv® 100 & 150

P. 130

Roof

Windtight and rainproof on the outside

Penetration

- Prime with Dockskin 100
- Starting at the bottom and working upwards, cut Wigluv at both ends with approx. 5 cm excess
- Bond half of Wigluv onto the penetration and then half onto the woodfibre board

- Cut into the excess bisecting the angle and fold over
- **Do not apply the knife right in the corner!**

- **Starting at the bottom and working upwards:** repeat on each side

How it should look:

- The penetration is sealed windtightly with Dockskin 100 and Wigluv 100

Windtight and rainproof on the outside

Skylight

- Prime with Docks skin 100
- **Starting at the bottom and working upwards:** cut Wigluv to length with approx. 5 cm excess at both ends
- Bond half of Wigluv onto the frame and then half onto the woodfibre board

- Cut into the excess bisecting the angle and fold over
- **Cut just short of the corner!**

- **Starting at the bottom and working upwards:**
Repeat on each side

How it should look:

- The skylight is sealed windtightly with Docks skin 100 and Wigluv 150
